Yes it does

Received on 06/01/2025, 14:57

Okay just wondering bc I'm worried about you driving that little silver car, but I will tell you about it when I see you. Maybe you and Sarina should switch the white car for you and van for her. Just a suggestion but I will explain when I see you.

Sent on 06/01/2025, 14:58

Okay 👍

Sent on 06/01/2025, 14:59

How are Sarinas legs doing today??

Received on 06/01/2025, 15:04

Sent on 06/01/2025, 16:37

Never mind...that's not possible for me.

Received on 06/01/2025, 16:37

Why

Sent on 06/01/2025, 16:37

Too complicated

Received on 06/01/2025, 16:37

I'm researching now I will figure it out for you

Received on 06/01/2025, 16:40

Do you have it in an exchange account like coinbase

Sent on 06/01/2025, 16:43

Yes

Received on 06/01/2025, 16:44

If so we should be able to connect a bank account to your exchange account and we go to withdraw for U.S dollars and it should go directly to your bank account or debit card of your choice.

Sent on 06/01/2025, 16:44

That's what I want

Received on 06/01/2025, 16:46

Okay I would have to look at your exchange app and see if it allows you to do that. I did read the only way to connect a debit card or bank account is to actually deposit \$5 into the exchange account but it seems pretty simple other than that

Sent on 06/01/2025, 16:47

Okay

Sent on 06/01/2025, 16:48

Wonder if my bank can do it for me??

Received on 06/01/2025, 16:48

It's possible

Sent on 06/01/2025, 16:48

I'll go ask them tomorrow

Received on 06/01/2025, 16:49

Okay

Sent on 06/01/2025, 17:06

Can you come over so we can talk ??

Received on 06/01/2025, 17:06

Yes I'm on my way to let the dog in and then I will be straight to you

Sent on 06/01/2025, 17:06

Good

Sent on 06/02/2025, 11:18

Hi there !!

I'm not sure if Sarina called the pest control. She has the paper they sent her. Maybe you can get the paper and call them to come.

Received on 06/02/2025, 11:49

Okay let me see if I can find it

Sent on 06/02/2025, 11:58

Okay!

Received on 06/02/2025, 13:46

I'm getting ready to go to the store to get the sealing stuff for the van windshield you need anything

Sent on 06/02/2025, 13:55

Sent on 06/03/2025, 13:12

Okay !!!  
I just noticed that you polished the GMC also !!!!  
That's a really clunky old car!!!  
Unless Sarina wants it I should sell it.

Received on 06/03/2025, 13:32

She does like it but I would see what Carl can find wrong with it then decide.

Sent on 06/03/2025, 13:32

Right !!

Sent on 06/03/2025, 14:08

Now there's something wrong with my security camera at the Pinellas Park house.

Received on 06/03/2025, 14:48

Ohh okay the one outside

Sent on 06/03/2025, 14:48

It shows my front yard.

Received on 06/03/2025, 14:48

You need me to go to the house

Sent on 06/03/2025, 14:49

Yes and please take me with you.

Received on 06/03/2025, 14:49

Okay give me a few to finish up what I'm doing here and I will text you when I'm leaving

Sent on 06/03/2025, 14:51

Your front door camera doesn't work either.

Sent on 06/03/2025, 14:52

Okay

Sent on 06/03/2025, 15:29

Another problem...I'm switching to spectrum internet and have the equipment but need help to install it.

Sent on 06/03/2025, 15:32

Another problem is that my fingerprint isn't working anymore.

Received on 06/03/2025, 15:41

Okay we will figure it all out. Your fingerprint for your phone?

Received on 06/03/2025, 15:41

I will install the equipment it's pretty simple for the most part

Sent on 06/03/2025, 15:41

Okay

Sent on 06/03/2025, 15:42

Yes..my phone

Received on 06/03/2025, 15:42

Okay I will help you figure it out

Sent on 06/03/2025, 15:42

Okay, thanks!

Received on 06/03/2025, 15:42

No problem

Received on 06/03/2025, 17:55

Hey I haven't forgot about you it's raining and I have no air in my car.

Sent on 06/03/2025, 17:55

Looks like we're getting rained out !!!  
Let's wait until tomorrow.

Received on 06/03/2025, 17:56

Well if stops soon we can still go. I will still come over and help you with your spectrum and phone when it stops

Sent on 06/03/2025, 17:57

Okay, cool

Sent on 06/03/2025, 19:44

It's not raining

Sent on 06/03/2025, 19:45

Hasn't been for a while.

Sent on 06/03/2025, 19:46

Are you coming??

Sent on 06/03/2025, 19:49

I wish I had a dollar for every hour I spent waiting on you!!!

Received on 06/03/2025, 19:49

Yea I was helping Sarina paint and now I'm going to let the damn dog out again

Received on 06/03/2025, 19:50

Sent on 06/03/2025, 19:51

Okay...I'm just too old to have much patience.

Sent on 06/03/2025, 19:54

I'm also sorry for buying that damn house.

Received on 06/03/2025, 19:55

Well if I wasn't the only person doing everything I would have more time to do other things but it doesn't seem that it matters what I need to do or get done. I am sorry too. It's been nothing but a pain in my ass and disconnect from everything else that matters

Sent on 06/03/2025, 19:58

Forecast is for more rain shortly.

Received on 06/03/2025, 19:58

I'm over it

Sent on 06/03/2025, 19:59

Maybe they're wrong.

Sent on 06/03/2025, 20:31

Sent on 06/03/2025, 20:49  
She's bringing up stuff from the past that I don't remember.  
She thinks I'm lying about everything.

Received on 06/03/2025, 20:50

I don't know I'm not with her. Motherfucker it's raining again. I just want to shoot myself with this damn dog. Oh well she can stay the hell outside. I can't keep doing this I'm running myself ragged

Sent on 06/03/2025, 20:51  
Can't you put her inside???

Sent on 06/03/2025, 20:52  
Where are you???

Received on 06/03/2025, 20:52

She's been inside that's why I had to go let her out.

Received on 06/03/2025, 20:52

I had to stop and get gas

Sent on 06/03/2025, 20:53  
You can't leave her out !!!!

Received on 06/03/2025, 20:53

I won't leave her out I will go back in a few to put her back in but she has to go out for a little bit to go to the bathroom and eat

Move her to the house asap.

Received on 06/03/2025, 20:54

I will

Sent on 06/03/2025, 20:55

Hire someone to build a fence. I will pay.

Sent on 06/03/2025, 20:56

Have the cat fixed.  
I will pay.

Received on 06/03/2025, 20:56

Okay I will figure it all out

Sent on 06/03/2025, 20:57

Please do !!!

Received on 06/03/2025, 20:57

You need me to come over

Sent on 06/03/2025, 20:58

No..please go try to settle Sarina down !!!!

Received on 06/03/2025, 20:58

Okay

Sent on 06/03/2025, 21:02

I didn't really mean what I said about the house.  
What i really should have said is I wish it was in better shape.

Received on 06/03/2025, 21:02

Yeah I feel the same though so it is what it is

Sent on 06/03/2025, 21:03

But she took it personally!!!!

Sent on 06/03/2025, 21:05

And she is crazy jealous of Katie.  
She hates them!!!

Sent on 06/03/2025, 21:06

I've got to stop seeing her !!!!

Sent on 06/03/2025, 21:08

Sarina is my life...I can't lose her !!!!!!!

Received on 06/03/2025, 21:08

Yea I know

Received on 06/03/2025, 21:16

It's not that she is jealous she doesn't like how much they use you. Yes we know Katie does Alot for you but John does nothing for you and you help him all of the time and we both do not believe he is sick and that he has been planning this for years to extort money from you. I'm far from a paranoid person or a skeptic but the shit with John is almost comical. If he is really sick then God bless him but I don't think he is and No matter what him and Katie have a child together so therefore the state will give him insurance so he does not have to pay out of pocket for any type of medical anything.

Sent on 06/03/2025, 21:19

I've not given them any money for months !!!  
All I do is let him use my truck.

Received on 06/03/2025, 21:20

Like there have been times when only me Sarina and Katie have been to your house and something has gone missing and we know it's not us so who else would that leave. And Sarina was saying you are missing a shit ton of stuff from your office. So I don't know I don't like being involved in shit like this. Oh and I don't know if Katie told you but when I went to get that bed from her we figured out that I know her and her sister from years ago they used to hang out at the tattoo shop I used to work at and her sister dated my daughter's dad.

Sent on 06/03/2025, 21:20

He's supplied me with all these power tools.

Received on 06/03/2025, 21:21

Where else would they have gotten the money to get the power tools? They don't work but Katie for you. Maybe that's when Alot of your money went missing.

Sent on 06/03/2025, 21:22

I don't believe they took all my stuff !!!  
I think it was the people that sold me the house.

Received on 06/03/2025, 21:24

Well I know that you have stuff go missing the past year and you had us change your locks. I personally have changed them 3 times.

Sent on 06/03/2025, 21:24

Anyway I've got to eliminate Katie from my life.

Received on 06/03/2025, 21:25

That's up to you. I will be here for you no matter what happens or what you decide bc I do care about you and love you.

Sent on 06/03/2025, 21:25

I never gave her keys to my house.

Received on 06/03/2025, 21:25

Well she was in your house a couple of months ago while you were gone with Sarina.

Sent on 06/03/2025, 21:26

I don't know how!!!!

Received on 06/03/2025, 21:27

I don't know I was sick but Sarina came home freaking out that Katie was in your house then lied to her about not being in the house then around Christmas time there was a snowman figure in your garage and Katie had put it right in front of your door while you were sleeping so she had to have keys to do that.

Sent on 06/03/2025, 21:27

Did you tell me ??

Received on 06/03/2025, 21:27

Yes

Sent on 06/03/2025, 21:28

I can't remember.

Received on 06/03/2025, 21:30

Yeah there have been several incidents like that and then not too long ago you had just went to the bank and hadnt even touched your envelope and I had arrived and you were freaking out and you told me that you had a bunch of money just go missing and you said it could have only been one person and that you should have known better to leave your money out.

Sent on 06/03/2025, 21:31

I don't remember that either.

Received on 06/03/2025, 21:32

I know it's been so many things and I feel bad because you can't remember it's just sad. Because the people doing this know that you don't remember so they keep doing it.

Sent on 06/03/2025, 21:34

If it is necessary to keep Sarina then I'll have to get them out of my life.

Sent on 06/03/2025, 21:36

Don't spend any more time...go to Sarina !!!!

Received on 06/03/2025, 21:37

Thats up to you I'm not the one to tell you what to do. I know she is worried that they are going to try And put you in a nursing home or just bleed you dry til they take everything from you. She does worry so much about you. I know if I can stop anything bad from happening I will.

Sent on 06/03/2025, 21:37

Stop talking...go !!!!!!!

Received on 06/03/2025, 21:38

Okay

Sent on 06/03/2025, 23:51

What's happening??

Sent on 06/04/2025, 10:39

Good morning !!!!

I've got some money for you.  
Please help me with some things today.

Sent on 06/04/2025, 10:42

Please try to get Sarina to come talk to me.

Received on 06/04/2025, 11:18

Good morning okay I've tried to talk with her. I fell asleep on her bedroom floor trying. I think she will be fine, you know her she gets overwhelmed easily and flips out easily. I can say this though every single time without fail that she has had a bad feeling about something or as crazy as it her thoughts have sounded she has Always been spot on. I mean everytime so when she gets really bad anxiety and she says something about a situation she has always been right.

Sent on 06/04/2025, 11:20

Well I don't believe she is right about her bad opinion of me !!!

Received on 06/04/2025, 11:24

I don't either and I don't think she is saying that, what I gathered is the people that have been in your life our bad

Sent on 06/04/2025, 11:24

I still need your help with that camera over at the other house.  
Also to connect my Spectrum internet.  
Also I want to take the white car and then GMC to Carl's if he agrees.

Received on 06/04/2025, 11:25

Okay that's fine

Sent on 06/04/2025, 11:25

I certainly agree with her about that !!!

Received on 06/04/2025, 11:26

I believe that's all she is trying to get across. Ben was bad and she is still worried about him because he gets off of parole next week

Sent on 06/04/2025, 11:27

Isn't there some way to get him banned from contacting her??

Received on 06/04/2025, 11:28

No we already tried that before. He is a scary guy. He even was trying to get with me and he said he would get rid of Sarina if she was the problem and that's when we came to you and got protection.

Sent on 06/04/2025, 11:29

How did I do that ??

Received on 06/04/2025, 11:29

You have her a weapon

Received on 06/04/2025, 11:29

Gave

Received on 06/04/2025, 11:30

And we stayed at your house for 2 weeks because you were worried about him too because gene had gotten you into a mess with Ben

Sent on 06/04/2025, 11:31

I'm not able to remember the guy but he sounds scary !!

Received on 06/04/2025, 11:33

One day we were talking at your house because Ben was texting me dirty things and you had gene come over because you thought you could trust him and Katie had showed up but never came inside but after gene left Katie and John showed up over at the apartments and told Ben everything that we talked about and Ben was on a rampage. We have it all on video too so u could see it if you want.

Sent on 06/04/2025, 11:35

Why can't I get him as I did that woman who was bothering me...not allowed on any of my property??

Received on 06/04/2025, 11:36

Because he doesn't care. Right now he lives in polk county and is on parole but he will be off soon. He had to move out of the apartments and to Polk county bc gene got him into trouble on the expense of your name

Sent on 06/04/2025, 11:38

Well I guess we have to wait and see if he becomes a problem.

Received on 06/04/2025, 11:40

Yeah and now when I Google his name it says he wasn't introuble for murdering one girl it was a girl, his ex wife and her boyfriend but he made a plea deal for 25 years in prison. So we shall see. We stole his truck so I'm sure he will come for revenge but who knows.

Sent on 06/04/2025, 11:41

Okay

Sent on 06/04/2025, 11:42

Right now I'm trying to figure out how to eliminate Katie and John from my life.

Sent on 06/04/2025, 11:44

It's started raining here but you won't melt if you get a few sprinkles will you ???

Received on 06/04/2025, 11:45

Well maybe we could all three come up with a plan together. Or you and Sarina can. We both think that have access to your finances because someone gets your credit cards before you do and we can't figure that one out. Only other person would Mike jabar Phillips. When my dad looked him up for you he found some interesting things about him and the ties he has with people who are known scammers and defraud people.

Okay it needs a tune up, a new plug for the alternator, new brakes, a new brake light switch, and a purge valve. He says with all parts and labor around \$1500. He also said there are more minor things but you have to draw the line somewhere and get the main things fixed and worry about the little things that won't necessarily cause a problem later.

Sent on 06/12/2025, 12:08

Okay..  
Please call him and tell him to go ahead with that.

the right size for that car but the two in the back are truck tires. Sizes are 55 in the front and there are 65s on the back. He said we can address that whenever.

the money back but nope, so there went another \$100. Please don't say anything I just don't talk to anyone else and it's just bothering me.

Received on 06/23/2025, 14:53

Received on 06/23/2025, 21:25

Good morning!!!!

There was a simple explanation for it but she won't listen!!!!

Please come back and talk to me !!!!

Sent on 06/24/2025, 12:04

Yes...I promised her not to see Katie again, but this was a single exception for a good reason and will never happen again.

Call it a lie if you want to.

I should have asked Sarina to do it I guess but I just didn't think of it.

I'm so sorry!!!

Please consider that I'm a 94 year old man. (Old fart)

Sent on 06/24/2025, 12:39

I went to your house but you're not there.  
Please come back so I can talk to Sarina!!!!!!

Sent on 06/24/2025, 12:40

It's all a simple mistake on my part.

Sent on 06/24/2025, 12:52

I asked her to see if John can fix his mosquito killer and so she took out a fuse.

Sent on 06/24/2025, 12:52

I should have asked you to do it.

Sent on 06/24/2025, 12:55

That makes me a liar since I promised Sarina never to see her again.  
It will never never happen again.  
I need Sarina in my life!!!!!!!!!!!!

Sent on 06/24/2025, 14:00

Can you at least please come and talk to me????

Received on 06/24/2025, 14:13

Hello I don't know exactly what's going on but I'm not done with anyone!! I'm a true friend and would never turn my back on someone I truly care about. I am going threw it right now because Heaven told me last night that her spine has been bothering her really bad for like 6 days straight and she was trying to explain where it hurts but I was able to show her and she was like how did you know and it's because it's the same pain I had before my brain surgery. My brain disease is hereditary and heaven has been getting severe migraines for the past few years, she has other symptoms to. So I've been trying to get a hold of an MRI place to see if they can check her for it without a prescription. Shits is crazy I pray to God she doesn't have it but it really truly seems like she does.

Received on 06/24/2025, 14:15

And I was also trying to help Sarina with her treatment place for her anxiety bc oh my goodness it has reached an all new high and please don't say anything but she was saying something about Baker acting herself. She is really not okay and needs to get her treatment I'm really worried about her mental state.

Sent on 06/24/2025, 14:15

OMG!!!!!!

I'm so so sorry to hear that!!!!!!

Sent on 06/24/2025, 14:17

Yes...please get her the help that she needs also !!!!!

Received on 06/24/2025, 14:23

Do you think that possibly the doctor that I did my brain surgery who is still actively working at USF would maybe write her a prescription for all the tests that she needs because it is hereditary and its very serious until she has the

decompression brain surgery her life is at risk. When I found out what I had they scheduled my surgery for 2 weeks from that point. It's just all too much I just can't even fathom heaven going through this it's breaking me.

Sent on 06/24/2025, 14:24

I'm at your house now but your car is gone.  
Is she in the house now????

Sent on 06/24/2025, 14:25

Received on 06/24/2025, 14:26

We went to check out this place that we called for Sarina's treatments.

Received on 06/24/2025, 14:26

Because we wanted to see what the environment is like and if it's even an option for her

Sent on 06/24/2025, 14:31

Okay..  
Please bring her to my house after !!!!!

Sent on 06/24/2025, 14:44

If she won't get out then I'll go to the car.  
I MUST talk to her!!!!

Sent on 06/24/2025, 14:47

Received on 06/26/2025, 11:16

Am I able to move it by myself you think? Only bc Sarina takes forever to get her shit together and I don't want to sit here and wait and make you wait this is insane

Sent on 06/26/2025, 11:17

I think you can move most of it

Received on 06/26/2025, 11:18

Okay I'm coming by myself then I'm not waiting it's going to take her too long.

Sent on 06/26/2025, 11:18

Sent on 06/26/2025, 11:32

You can go with me.

Sent on 06/26/2025, 11:34

Why is that paperwork so important to someone???  
Why am I not supposed to have it ???

Received on 06/26/2025, 13:49

I will be back over in a little bit I had to sit down for a min my fever is high right now and I'm freezing. But I promise I will be over with some soup and I will do the bird feeders and finish picking up the yard.

Sent on 06/26/2025, 13:53

Why can't you take it easy and let Sarina do it???  
Save the soup for later.  
If not then you reat and let everything wait !!!!!

Sent on 06/26/2025, 13:53

Rest

Sent on 06/26/2025, 13:56

The only reason why I want that paperwork is to have it to put in my will for you and Sarina.

Received on 06/26/2025, 14:01

That's crazy that it is just missing. I can't comprehend why anyone would take that let alone take anything from you period. It truly baffles me!!

Sent on 06/26/2025, 14:02

Exactly!

Received on 06/26/2025, 14:03

Why can't the bank that we called just get you the paperwork again? What is it that will take until the 8th of July? I don't get it.

Sent on 06/26/2025, 14:04

I don't know but hopefully they can get me a copy

Received on 06/26/2025, 14:05

Yeah it just makes no sense why they can't just copy it and send it or why they couldn't do it when you went up there. It doesn't take 2 weeks to get a copy of something right off their computer screen.

Sent on 06/26/2025, 14:06

I don't get it either but I know that they have it.

Received on 06/26/2025, 14:07

Strange. You got that phone number directly Wells Fargo that we called?

Sent on 06/26/2025, 14:07

Yes, I did

Received on 06/26/2025, 14:08

Hmm okay I was just making sure that wasn't a scam too. But if you got it from them it must be legit.

Sent on 06/26/2025, 14:10

Yes...I went to the Wells Fargo bank and spoke with an agent.

Received on 06/26/2025, 14:10

Okay

Sent on 06/26/2025, 14:10

They gave me the info on that paper.

Sent on 06/26/2025, 14:13

I know they have it because she gave me the title of it.  
LouMar Products.  
I'm the Mar.

Sent on 06/26/2025, 14:14

My memory is so bad that I think but not sure who the Lou is.

Received on 06/26/2025, 14:15

I don't know who is either

Sent on 06/26/2025, 14:16

The only Lou I know is still around here someplace.

Sent on 06/26/2025, 14:18

I don't know how he would get in my house.

Sent on 06/26/2025, 14:21

Seems like we would both have to be together to get the money.

Sent on 06/26/2025, 14:22

It's very confusing to me.

Received on 06/26/2025, 14:24

Yeah I'm not sure and if it's a joint account then you should both have to be there.

Sent on 06/26/2025, 14:26

I'm sorry...I'm keeping you from resting.

Received on 06/27/2025, 12:25

Hey how are you today

Hello there Miss Jeana !!!  
I'm just fine.

Much better I hope !!!!

Received on 06/27/2025, 12:28

Not really but I have stuff to do. I took NyQuil last night and I'm hungover today bad.

Received on 06/27/2025, 12:30

So we had a question about these checks. Are we going to be able to cash them without them putting a hold on most of the amount?

Received on 06/27/2025, 12:31

We would have to cash them at your bank the issuing bank. We are nervous about it and we don't want to raise any red flags

Sent on 06/27/2025, 12:31

I'm so sorry to hear that!!  
Just do as little as possible.  
Maybe I'll see you.

Received on 06/27/2025, 12:34

What do you mean as little as possible. Don't you have to cash the whole amount?

Sent on 06/27/2025, 12:34

I don't see why they aren't cashable.  
Maybe you should open a checking account.  
You don't want a lot of cash around.

Received on 06/27/2025, 12:35

No we don't know if they will or not they are cashable it's just most banks will put holds on them if they suspect fraud or anything.

Received on 06/27/2025, 12:36

I would like to open an account maybe that will make a difference.

Sent on 06/27/2025, 12:38

It was originated by their own bank so why would they put a hold on it ??  
I'm sure they would love to have you as a customer.

Received on 06/27/2025, 12:38

Okay I'm not sure I will just check

Sent on 06/27/2025, 12:38

Okay

Sent on 06/27/2025, 12:39

If you need me just say so.

Received on 06/27/2025, 12:40

Okay we are going in like 20 minutes I'm going to try and open account and see what they say

Sent on 06/27/2025, 12:42

If at all possible I need to go to my rent house.  
The camera in front is not working right.

Sent on 06/27/2025, 12:43

Whenever good for you.

Received on 06/27/2025, 12:51

Okay if we have problems at the bank should I message you

Sent on 06/27/2025, 12:52

Sure !!!!!

Sent on 06/27/2025, 12:53

Sent on 06/28/2025, 14:26

I hope I'm not waking you!!!!

Sent on 06/28/2025, 18:34

Sent on 06/28/2025, 18:45

I may go bonkers!!!!!!

Received on 06/29/2025, 19:55

tomorrow. Sarina is still asleep, she didn't even have a voice when she went to

Sent on 06/30/2025, 11:43

What????

Received on 06/30/2025, 11:43

In my car you can tell how many miles of gas you get to the gallon well for months it's been saying 34 miles which is low for my car. Well last night my car drove so good and the mileage per gallon went back up to 45. I don't know I'm kind of perplexed as to why it did this.

Received on 06/30/2025, 11:44

Anyways what's wrong with the TV it won't come on or your power isn't on?

Sent on 06/30/2025, 11:46

Sent on 07/06/2025, 11:37

Hello there!!!  
How are you doing with the covid ??

Received on 07/06/2025, 12:58

Hey how are you? I'm so sick, I'm so over this!! It is wearing on my mental because I can't do anything. Everytime I start to feel better I feel like it's starting over again. I'm still having fevers and I don't have a voice at all, my chest is killing me. At this point I'm not sure what to do. My mom says they can't do anything for covid but that if I feel like I can't breathe then go to the hospital because of my other chronic conditions this could literally kill me. I know I will be okay but today it has been hard to breathe and I'm so tired I don't know how because all I do is sleep. Shit is so crazy. I hope you are okay, miss you so much

Sent on 07/06/2025, 13:02

I'm just fine.  
Sorry about all your pain!!!  
Call 911 and go to Morton Plant hospital!!!

Received on 07/06/2025, 13:05

I took another covid test and it's still positive. I just can't take much more of this. I need to get better so I can carry on with my normal life. This is not me

Sent on 07/06/2025, 13:07

Sent on 07/06/2025, 16:33

I need the key to apt 4 so they can inspect it.  
Do you know how to kill the covid germs on them ??  
You can leave them on the pillar at the base of the stairs tomorrow.

Sent on 07/06/2025, 16:36

Submerge them in some disinfectant.

Sent on 07/06/2025, 16:39

I should force myself to eat something before 7 but I really don't want anything.

Sent on 07/06/2025, 17:27

I miss you too!!!!  
I'll be so glad when you're well !!!!!!!

Sent on 07/06/2025, 17:28

Where did you go to find covid ????

Sent on 07/06/2025, 17:28

Will everyone else in the house catch it???

Sent on 07/06/2025, 17:34

How's Sarina dealing with everything???

Received on 07/06/2025, 17:45

Anne Marie gave it to us. She was sick before me. She's alright been sleeping Alot

Received on 07/06/2025, 17:47

And Sarina had it before me soo....

Sent on 07/06/2025, 17:47

Wow !!!  
So I guess she got it at that camp!!!!

Sent on 07/06/2025, 17:48

What a shame !!!

Sent on 07/06/2025, 17:53

I took the original anti covid shot many years ago and I guess it's worked or maybe I haven't been exposed to it yet.  
They recommend that old people take the booster shot.  
I don't know what to do.

Received on 07/06/2025, 18:00

I thought you had your shot at Walgreens not too long ago. I can't get the anti covid shot because I have a weakend immune system. Anyone can get it from anywhere just by going to a grocery store or something simple like that

Sent on 07/06/2025, 18:37

I guess I'll do that tomorrow.

Sent on 07/06/2025, 19:23

So Sarina has had covid and is all better now????

Received on 07/06/2025, 19:23

She is still sick too but she is like a week ahead of me as in when hers started compared to mine

Sent on 07/06/2025, 19:26

So I guess she will be fairly okay a week before you are ??

Sent on 07/06/2025, 19:29

She doesn't bother communicating with me like you do !!!

Received on 07/06/2025, 19:32

I don't know why! I always feel like it's important to keep contact with you and for the past few days I couldn't even rest like I need to because I was so worried you would need my help and since I couldn't help you that you were going to be upset with me. I was crying about it yesterday!

Sent on 07/06/2025, 19:32

I'd like to go over there but not until the covid has ended.

Sent on 07/06/2025, 19:34

No no !!!!  
Please don't feel that way !!!!  
I appreciate all your efforts to inform me !!!

Sent on 07/06/2025, 19:37

There's no telling what we can catch just by going to the grocery store.

Received on 07/06/2025, 19:38

Thanks that makes me feel so much better. I promise as soon as I get better I will do whatever you need done and then some.

Sent on 07/06/2025, 19:39

Okay !!!!  
That's a good deal !!!!

Sent on 07/07/2025, 13:46

Hello!!!!  
How are you doing today??

Received on 07/07/2025, 13:47

Well so far I'm feeling Alot better!!! Not ready to go outside and move mountains but much much better than I have. I am so excited!!!

Received on 07/07/2025, 13:48

Only bad part is my left ear that I am like 75% deaf in already is 100% clogged so I can't hear anything out of it and it keeps popping. It's so annoying

Sent on 07/07/2025, 13:52

That's great news!!!!

I've decided to wait until tomorrow to deal with the city about the apartments.

I will need the keys before then.

Let me know when I can pick them up.

Received on 07/07/2025, 13:55

Okay I have to look for them. Number 4 you should be able to just pull it open. I can have Brian go open or maybe I can do it. I don't know if I can though. Yeah I was thinking about that while I sat here for days sick. Sarina had to break the lock to let servepro in because the door knob was jammed from the rust and muck after the hurricane and number 1 should be unlocked and I have to find the key for #3 and does anyone have to go in our apartment bc we still have stuff in there.

Sent on 07/07/2025, 13:57

No...just downstairs.

Received on 07/07/2025, 13:58

Okay cool yeah #1 has been unlocked since the hurricane but it's hard to pull it open and number 4 same thing

Sent on 07/07/2025, 13:58

Okay..just so they can get inside.

Received on 07/07/2025, 14:03

Yeah

Sent on 07/07/2025, 14:05

I'm not feeling so good today.

I think that I'll go get a booster shot.

Received on 07/07/2025, 14:06

Don't go get if you are feeling sick because it can make you sick

Sent on 07/07/2025, 14:08

I'm not sick...just not myself

Received on 07/07/2025, 14:11

Okay that's how it kind of started with me just felt out of it. Like I was driving and it felt like I had to think really hard to do the simplest tasks. It was weird

Sent on 07/07/2025, 14:13

Guess I will skip it

Sent on 07/07/2025, 14:15

I keep losing weight...I'm practically a skeleton.  
Makes me weak.

Received on 07/07/2025, 14:20

I can only imagine. How much weight have you lost did the doctor say on Wed

Sent on 07/07/2025, 14:24

Another 4.  
I'm 137.  
I'm 93 and a half.  
With my bad heart I probably won't live much longer.

Sent on 07/07/2025, 14:26

It seems like I've gone downhill a lot recently.

Received on 07/07/2025, 14:30

I don't think that you have gone downhill a lot. The only thing I see a difference in is your memory has been good then bad at times, but I hear you say you don't remember a lot more than you did last year. I think you will be around for a few more years. I wanted to get healthy because of how sick I got and drink these smoothies 2 times a day with yogurt and all different kinds of fruit in them. They will probably help you put a little weight on. We could even add oatmeal to yours. Other than that Martin sometimes it seems like you could do circles around me and I always say to myself I'm screwed when I'm his age because I can barely keep up now!!!

Sent on 07/07/2025, 14:32

I'm going stir crazy.  
I think I'll go drive to my other house.

Sent on 07/07/2025, 14:34

I got myself a small stirfrier but I don't know how to use it.

Received on 07/07/2025, 14:35

Like for rice?

Sent on 07/07/2025, 14:36

I have some fish in my fridge that needs cooking.

Received on 07/07/2025, 14:39

Idk if you have been over to the rental lately but a couple of days before I got sick Sarina was a little sick and we were at your house and you wanted us to go to the rental and check things out for you because the camera was acting weird anyways, I cleaned up the living room wiped everything down and organized stuff swept and mopped the floors. I still need to do the other rooms if you want me to but it looked really nice.

Sent on 07/07/2025, 14:44

Wow !!!  
I didn't know all that !!!!  
Thank you very much !!!!  
I'll be so happy to see you and Sarina again.  
I'm So lonely!!!!

Received on 07/07/2025, 14:51

I know I'm sorry!! Trust me when I say this has been hard on me too. I'm used to seeing you almost everyday. You are my only true friend besides Sarina. Oh Well then there is Brian I almost forgot about him.

Sent on 07/07/2025, 14:52

You said Sarina is ahead of you with recovery...can I go visit with her ?

Received on 07/07/2025, 14:55

She is asleep right now you want me to tell you when she wakes up

Sent on 07/07/2025, 14:56

Okay...just talk to her about it.  
See what she thinks.

Received on 07/07/2025, 14:58

Okay I'm sure it will be okay as long as we have masks

Sent on 07/07/2025, 14:58

Sent on 07/07/2025, 18:38

My mom and Heaven showed up yesterday because Heaven had a doctor's appointment and they wanted me to go. Anyways just waiting on results for that. I am still sick and I'm so over it. I felt alright yesterday and I woke up today coughing up chunks of green stuff, I have no taste or smell. I swear to god i really truly don't know how much more of this I can take. I have been sick since around June 16th. You don't need a key for number 4 that doorknob is broke. They just have to pull that door open.

I have a problem that you or Sarina can help me with.

I have a suprapubic catheter which needs to be changed every month.

It was due to be changed while you folks were sick.

The only way to do it then was by using Uber, which I didn't want to do.

What I need to do is get another appointment and get you or Sarina to go with me to help me.

Will you two please talk and see who is able to help me and let me know.

Thank you very much !!!

Hey I couldn't find my phone again, I was trying to finish the bathroom upstairs and now I'm going to get the stuff to fix the bathroom downstairs because the floor is basically the outside. What a mess!! It's so bad I have to fix the plumbing and everything, everything is such a nightmare when it comes to fixing the things that should be so simple. I did finally put a faucet outside, but then it stopped having water flow to it completely which I don't know maybe the pipe is clogged and that would be too much to try and fix on my own. Anyways I'm rambling, ummm either one of us can take you and make sure you get there and home safely just let me know a date and time.

Sent on 07/15/2025, 16:08

Sorry about all the bad things about that place !!!!!

I just picked two of my cats up from having surgery. You need to go because of your air? I will come look at it and see if I can fix it. If not we will take it tomorrow .  
Is that okay with you

Sent on 08/04/2025, 15:58

Sure thing!!!

Received on 08/04/2025, 16:51

I am so tired I had to get up at 5:30 to drop the cats off and it was so stressful for me because mouse was one of the ones who went today, but she is okay just tired. I will come over in a little bit and check out your car. I'm trying to finish the chair but with everything else I probably won't get it done until later.

Sent on 08/04/2025, 16:53

There's no big rush.  
Take your time and if you want to wait until tomorrow that's fine.

Received on 08/04/2025, 16:55

I will see how things go here. Anne Marie is leaving this evening And I'm relieved because she has been ALOT this time. It seems like she has been here for a month instead of a week. It has been a constant battle with her.

Sent on 08/04/2025, 16:56

It's a shame she has to be that way.

Received on 08/04/2025, 16:58

I know because she has the potential to be a wonderful kid, but at this rate I'm not sure what is going to become of her. I wish she would just get the concept of being a decent person but she just doesn't care. Sarina asked her why she hated her so much and she said "I don't know I just do" I was flabbergasted

Received on 08/04/2025, 16:59

Oh I got you a new calendar the other day but I forgot to give it to you. I will bring it to you when i come over.

Sent on 08/04/2025, 17:00

Okay

Sent on 08/05/2025, 11:57

I hope you're feeling your usual bright and cheerful self today!!!!

Sent on 08/05/2025, 12:31

I would like to have them back please .

Sent on 08/05/2025, 12:39

Is Sarina awake or not ??

Received on 08/05/2025, 14:32

Hey how are you today? I must have been exhausted because I just woke up! I didn't go to sleep until around 6am though. I had to take Roxy to the emergency vet hospital last night because her eyes looked foggy. It was weird but she ended up being okay. I hope you are doing alright sorry I've been so busy with the cats. I personally do not have your garage keys, but I will look in the white car maybe they are in there for some reason. I will come over in a bit to check out your car and see how you are doing.

Yours will have to be towed.

Sent on 08/10/2025, 15:53

Sent on 08/11/2025, 15:02

Do you want some of my pain meds ???

Received on 08/11/2025, 15:04

I might take you up on that after I get back from taking her to treatment. I don't have time now. I was talking to a trainer for the dog and i was trying to fix the

lights in the bathroom because they stopped coming on. It's always so much to do it's overwhelming and it gets me depressed because there just isn't enough time in the day to accomplish it all.

Sent on 08/11/2025, 15:05

Okay...just let me know and I'll bring it to you.

Received on 08/11/2025, 15:06

Sent on 08/11/2025, 15:20

Sent on 08/12/2025, 14:21

living in the apartments ???

No why?

Sent on 08/13/2025, 16:36

It's costing me over \$500 mo.  
electric there !!!

Sent on 08/13/2025, 16:38

Correction...\$300 mo.

Sent on 08/13/2025, 16:41

It's costing over \$200 mo.  
at the house in Pinellas Park!!!

Received on 08/13/2025, 16:41

Probably because of the water. What we told you the other day that there is only hot water for some reason. I think the pipes are collapsing or something. So I will go shut the water off. There were a few times last month that I stayed there. But other than that there is the laundry room light on, there is a light in number one that is on and I keep the stove light and hallway light on in our old apartment. Brian was staying there you said he could because of the DCF thing with the baby but he was cleaning out number 3 and number 4

Received on 08/13/2025, 16:42

I don't go to the Pinellas Park house except to clean it, mow the grass or check on things. But we do keep lights on always because of fear of intruders.

Sent on 08/13/2025, 16:47

It's the ac in Pinellas Park.  
Must need a new filter and raise the temperature some.  
Need to clean out fridges in #2 and #3 and unplug them.  
Same with house in Pinellas Park.  
Will you please do all those things for me ??

Received on 08/13/2025, 16:47

I will do that for you. I'm going to pick your car up in the morning for you okay

Sent on 08/13/2025, 16:47

Just keep it cool enough to prevent mold

Received on 08/13/2025, 16:48

Like 77 or 78?!

Sent on 08/13/2025, 16:49

Okay thanks.  
I guess so.  
Let's try that.

Received on 08/13/2025, 16:49

Okay no problem and you're welcome

Sent on 08/13/2025, 16:49

Sent on 08/13/2025, 17:09

The next time you're over at Carl's please ask him if he's interested in selling the GMC and getting whatever commission he wants???

Received on 08/13/2025, 17:12

I was going to ask him today but he was sitting with a group of guys talking about another car so I will talk to him about it in the morning

Sent on 08/13/2025, 17:12

And whatever he thinks is a fair price.

Sent on 08/13/2025, 17:13

Okay !!!!!

Sent on 08/13/2025, 17:32

And don't forget to find my cameras again.

Received on 08/13/2025, 17:36

I found them

Sent on 08/13/2025, 17:36

Yay!

Sent on 08/13/2025, 17:37

I know where to put both of them.

Received on 08/13/2025, 17:54

Okay I will take care of that for you tomorrow. I'm going to get my car towed in the morning. I haven't had time today. I'm going to Pinellas park house now to adjust the air. I will have to mow the grass there tomorrow. I will probably just get up early and go do that before or after I get your car.

Received on 08/13/2025, 17:54

Your air was over charged with Freon so they had to get Alot of it out. That's why it wouldn't work. It was too full

Sent on 08/13/2025, 17:55

What a surprise!!!

Received on 08/13/2025, 18:02

Yeah so I will just pay for your car when I go get it

Sent on 08/13/2025, 18:03

Okay...bring me the bill.

Sent on 08/13/2025, 18:04

Sent on 08/14/2025, 16:27

Received on 08/14/2025, 16:37

Received on 08/14/2025, 17:08

Received on 08/14/2025, 17:08

Received on 08/14/2025, 17:16

Okay he said if I can bring him the title to the van tomorrow he will give me the money to give to you then have it towed out of your driveway

Received on 08/14/2025, 17:18

Also he said if I can bring the GMC up there tomorrow he is almost certain if it's up there he could sell it for you. But that's totally up to you

Received on 08/14/2025, 17:19

We wouldn't give him a title to the GMC or anything until he has the money for it.

Sent on 08/15/2025, 13:27

Sent on 08/15/2025, 15:25

I realize that you cannot help yourself when you're feeling bad.  
There are so many things that depend on you to do.  
It seems like the world just stops for me when it happens.

Sent on 08/19/2025, 12:10

Maybe

Received on 08/19/2025, 12:11

I'm so sorry. I wish I wasn't like this. It really sucks that I have been getting migraines again. My mom seems to think they are stress induced. Me and Sarina got into an argument Friday night because I asked her where the cold medicine was and I guess she didn't like my tone and she flipped out on me and said she wished I would just have an aneurysm and die and that she hated me more than she has ever hated anyone. So I'm not speaking to her. She can be really evil and for no good reason at all.

Sent on 08/19/2025, 12:14

OMG !!!  
That's so crazy !!!!!

Sent on 08/19/2025, 12:15

Sent on 08/20/2025, 09:35

You're my best friend !!!!  
I had a good night's sleep and am up and functioning.

So I will bring it back Friday afternoon. I'm getting ready to have my car towed and then go to the DMV . Im going to need your ID again just like last time.

Sent on 08/20/2025, 09:38

Okay so they just got my car. So I'm going to have to go to the DMV in the morning. I'm so aggravated now that my whole day has been spent on waiting. When I was up early and ready to go. Anyways Sarina wants to go to the Emergency room or urgent care. She has a pain in her shoulder blade and it's been non stop. She doesn't remember injuring it. So I don't know I'm not 100% sure she is going to go but I will know in a few minutes

Sent on 08/20/2025, 15:27

Okay...sorry about the wasted time!!!!

Received on 08/20/2025, 15:30

It's alright not your fault. If she doesn't want to go to the hospital I'm going to go cut the grass at the Pinellas Park house before you get fined

Sent on 08/20/2025, 15:31

Okay...I see that my car is back.  
Don't you need it ??

Received on 08/20/2025, 15:32

Yeah probably will. I just put it there so I would have plenty of room for the tow truck that took 27 hours to get here lol

Sent on 08/20/2025, 15:33

Okay...if you need me to bring it to you I can.

Received on 08/20/2025, 15:37

At the moment she is plugging in the heating pad because her shoulder is swollen you can physically see a big knot in it. She already tried to ice it but it didn't help

Sent on 08/21/2025, 13:54

Did she go somewhere to get help ??

Received on 08/21/2025, 13:55

I'm awake...but barely.

Received on 08/22/2025, 10:19

We were there all night and they still don't really know what is causing the swelling. The pain is because whatever it is, is pushing on her nerves.

Sent on 08/22/2025, 10:20

O gosh...  
Terrible !!!!

Received on 08/22/2025, 10:26

I know!! She can barely move. It's really strange. If she pulled something though the doctors can't see that on an X-ray or anything. They said to take ibuprofen and do hot and cold compress and if it isn't any better by tomorrow then to come back

Sent on 08/22/2025, 10:27

Poor thing !!!!

Received on 08/22/2025, 10:28

Hello there !!!

I need you to help me gather my thoughts about the apartment building.  
I need to sell it i know. The problem is getting all my stuff out of there.  
I already have 6 storage units at sapphire storage and 2 at uhaul. I was hoping  
that sarina would take lots to furnish the house but now she is out of action.

I guess that leaves you and I to do everything.  
We're going to have to hire movers to get it done.  
We need to talk !!!

Received on 08/23/2025, 15:03

Okay I will help you

Sent on 08/23/2025, 15:04

Sent on 08/23/2025, 15:05

Sent on 08/23/2025, 18:20

I just had a visit from a couple who are interested in my apartment building. They wanted to know about the history of when I had foundation problems. I gave them your phone number so you can talk to them.

Received on 08/23/2025, 18:24

Okay

Sent on 08/23/2025, 18:29

The apartments have multifamily zoning.

Received on 08/23/2025, 18:30

Okay u mean like different apartments for individual families

Sent on 08/23/2025, 18:32

No...the city has it zoned multifamily. That makes the lot valuable.

Received on 08/23/2025, 18:32

Ohh okay

Sent on 08/23/2025, 18:32

Sent on 08/23/2025, 19:21

Sent on 08/23/2025, 19:22

If so please bring me some of the beans.

Received on 08/23/2025, 19:24

I am planning on it I'm just waiting for the beans to be all the way done. I don't think my crock pot is getting as hot as it used to because they have been on since 12 they should have been done by now

Sent on 08/23/2025, 19:26

You can have my crockpot.

Received on 08/23/2025, 19:26

You have me a little one before and I used it Alot but it stopped working awhile ago.

Hello there !!!  
I hope you're feeling well today!!!!!!

Please bring me more of the propel water.

Grape and strawberry if available.

Helps me to rehydrate. Those people who are interested in buying the apartments were back. They want to see inside. I told them to wait until tomorrow.

I hope Sarina is feeling better.

I'm curious about the dog escape.

Come when you can please.

Sent on 08/24/2025, 12:42

I like to see other people.

Sent on 08/24/2025, 12:58

Don't forget the beans !!!!!

Received on 08/24/2025, 15:36

I will bring you some more propel and beans in a little bit. I hope you are doing okay today. I'm exhausted I had to fix the fence last night and this morning and now I'm sealing the whole kitchen and living room because there are ants so bad I can't leave the food out for the cats, well can't leave nothing out for that matter and it's annoying bc they get into everything. I can do your kitchen around the top of your counters later when I come over

Received on 08/24/2025, 15:37

I don't know how she did it but she broke the fence where it was just swinging open. She was out for a while , good thing I left to come to your house or I wouldn't of known she was out.

Sent on 08/24/2025, 15:38

Wow 🤔

Received on 08/24/2025, 15:40

I know but I fixed it and she shouldn't be able to get out. I fixed it as much as I could last night and then I had to go to home Depot today and get a part for the gate so it will shut again. I'm over that dog. Its too much with her, the cats plus taking care of Sarina most of the time and if I'm not taking care of her she is never really able to do anything to help out so everything is on me and a big ass dog is not a responsibility I want at the moment or ever!!

Sent on 08/24/2025, 15:43

Any chance she would get rid of dog ??

Received on 08/24/2025, 18:56

I wish!!! I'm just waiting on my clothes to finish drying then I will be over.

Sent on 08/24/2025, 18:56

Okay

Received on 08/24/2025, 19:42

So the only flavors they have for your water is kiwi strawberry, black cherry, grape

Received on 08/24/2025, 19:42

Sent on 08/25/2025, 14:14

Received on 08/25/2025, 14:27

Sent on 08/25/2025, 14:27

Received on 08/25/2025, 19:00

Hey Martin I haven't forgot about you!! I was on the phone with heaven trying to help her or figure out how to help her because her car broke down. She was balling her eyes out. I got her calmed down though. I'm just finishing up these couple of wires because I had to turn some of the electric off.

Sent on 08/25/2025, 19:01

Received on 08/25/2025, 19:02

So that's done. What's for today ??

Sent on 08/26/2025, 15:17

Say...I. need my truck to haul some bricks in.  
Is it empty yet ??

Sent on 08/26/2025, 15:52

Im at your house. My truck is gone.  
The GMC is here.  
I thought that it was at Carl's.

The white car is gone.  
Please let me know what's happening.

Received on 08/26/2025, 16:00

Hey sorry I'm at the ER with Sarina and my phone had died. No the truck isn't empty yet I haven't had time to breathe let alone do that. Your truck is parked at the apartments because when my parents and daughters came there was no room for all the cars so I took the truck there and later drove the GMC back. I was supposed to take the GMC to Carl's but then this shit happened with Sarina and I haven't been able to do of course.

Sent on 08/26/2025, 16:02

I understand!!!!

Received on 08/26/2025, 16:05

Sent on 08/26/2025, 16:15

Brian can stay here as long as he needs to.

Received on 08/26/2025, 16:20

Okay I appreciate it. Do you mind if I use the truck later to take that baby bed that we got from Katie to storage and then I can bring it back to you when I'm done

Received on 08/26/2025, 16:20

And I will grab the bricks for you

Sent on 08/26/2025, 16:21

There are rocks also with the bricks.

Where is all my stuff that was in there ??

Received on 08/27/2025, 17:28

I'm trying to get everything done. I am trying to help Sarina and I have to go pick up Anne Marie. I will get your truck when I'm done catering to everyone else. You took almost everything out of the truck I have your tire I will put back in it. I'm not going to let anything happen to anything of yours. I feel like I have no time for anything except what everyone wants me to do. I'm ready to throw in the towel I just don't care anymore. I'm exhausted and just worn out all I get is a headache and do this or that everyday. I'm just beyond over life. Don't be surprised when I just up and move away for real. I can't take any more

Sent on 08/27/2025, 17:31

I'm sorry!!!!  
I forget about all your other chores.  
Excuse my lack of patience.

Sent on 08/28/2025, 11:38

Hello sleeping beauty!!!!  
Do you remember when you were my best friend???  
Anyway...let's see about getting my truck back to my house.

Sent on 08/28/2025, 13:04

How's Sarina doing today???

Sent on 08/28/2025, 13:06

Surely you're awake by now !!!!

Received on 08/28/2025, 13:11

I just woke up I had a migraine again. Trying to recover from that. It made me really sick. I don't know why I keep getting them. Im thinking stress and doing too much probably. I never stop I was up until 4am doing stuff over here because there is just so much to do. Im still your best friend!!! I'm just overwhelmed and I feel bad because I can't do everything because there isnt enough time in the day of enough of me to go around. So it's wearing on me. Not to mention Anne Marie came back yesterday and she is sick, but I still had her go to school. I can't deal with her 24/7 right now.

Sent on 08/28/2025, 13:20

Hello there !!!!  
I'm so sorry about the migraine !!!  
Everything going on now and with Anne Marie's bothering you.  
Don't worry about my truck if it's too much trouble.

Received on 08/28/2025, 13:27

No it's not too much trouble I want to do that for you. I just don't understand how I get so caught up doing things here for Sarina and Anne Marie. I don't mind helping any of you guys but it's a full time job I swear. If it isn't fixing something, it's making food, or doing laundry, walking the dog, feeding the animals, driving to go the school or the store and then I get stuck just thinking about how overwhelmed I am. I haven't worked on any of my art projects in a very long time and that crushes my soul!! I haven't drawn any pictures, I haven't worked on your chair that is so

close to being finished, I just haven't made anytime for anything that helps me relieve stress and I think that's why I am getting headaches. Believe it or not I was looking forward to going to get the bricks at the house and dropping that toddler bed off because it would be quiet and I would be alone and have time to just think about things. I'm weird like that!! Lol. I'm trying I really am I swear. I'm sorry I've let you down the last couple of days. I will figure it all out I promise!!

Sent on 08/28/2025, 13:32

Okay !!!!

Let's move the bed first. Then we'll see about the bricks.  
That migraine makes you feel so bad !!!  
I'm sorry!!!!

Received on 08/28/2025, 13:38

I know it kind of has me worried only because last time I kept getting repetitive migraines like this I had to have brain surgery. I'm just praying that my brain disease isn't acting up again. It takes one wrong move and I can dislodge something in my spine and I'm done. I really think that's what's wrong with my leg because my lumbar is deteriorating. They told me 6 years ago I wouldn't be walking in 2. So I've surpassed those expectations. I just keep doing what I have to do, I won't let that disease I have take over my body ever again.

Sent on 08/28/2025, 13:42

Please don't let me be the cause of anything happening to you.  
Go back to resting like you were.  
I'll stop bothering you.

Received on 08/28/2025, 13:42

No no you aren't bothering me. I promise

Sent on 08/28/2025, 13:43

Okay!!!

Sent on 08/28/2025, 15:03

What if I go over there to visit ??  
I'm going stir crazy.  
Will you let me in the garage???

Did she come there

Sent on 08/28/2025, 16:29

No..sent me a registered letter.  
She can't come here or she gets arrested.

Received on 08/28/2025, 16:30

I saw her at home Depot a couple of weeks ago and she ran like a little bitch. But she says she is so tough and was going to beat my ass but she didn't do anything. She is a complete loser that just scams older people. I wish Sarina never dealt with that lady

Sent on 08/28/2025, 16:31

Me too.

Sent on 08/28/2025, 17:01

Thanks for checking on me!!!!  
I've started going to bed just before dark.  
I guess the gutter people will be back today.

Received on 08/29/2025, 10:05

You're welcome!! I was there so late last night. We didn't even leave the Pinellas park house until around 10:30 or so. We mowed the grass again while we were there. So that's good for now.

Received on 08/29/2025, 10:06

Received on 08/29/2025, 10:07

We got all of the bricks and some of the rocks you asked for. I still have to put your spare tire back in your truck so I will have to come and get it and put it in there and bring it back sometime soon. I also want to clean the bed out really good.

In our old apartment but I was there last night and he has worked on 3 and started to redo the whole floor with a grey wood snap floor and then he got everything out of number 4 and has the floors all cleaned up and and the closet walls taken out completely because that was the part that was dry wall the rest is concrete and he said he only needs a couple of things to do the ceiling and then he would have to

do the bathroom. But it's all up to you if you want him to continue. It looked damn good though. You can walk into #1 from #4

Sent on 08/29/2025, 12:15

I don't know she has to get Anne Marie the school called my phone a few minutes ago and said she has a headache but Walter picks her up around 6 so after that I'm assuming.

Received on 09/05/2025, 13:18

Sent on 09/05/2025, 13:18

Okay 👍

Received on 09/05/2025, 13:19

She was fine this morning so the kid is probably lying. They called on Tues also but Walter went and picked her up. It's hard to believe someone when they always tell stories so who knows if she is really sick or not.

What's Sarina doing ??

Received on 09/05/2025, 19:07

I just got back to the house, she was waiting on Walter to come get anne Marie.  
He must of got held up bc of the rain. I found 4 lizard eggs at the Pinellas Park house today

Sent on 09/05/2025, 19:08

Was she planning on coming here??

Received on 09/05/2025, 19:08

Sent on 09/05/2025, 19:08

Sent on 09/05/2025, 19:29

Sent on 09/05/2025, 19:34

Received on 09/05/2025, 19:34

Sent on 09/05/2025, 19:51

Okay

Sent on 09/05/2025, 20:14

Where are you ???

Sent on 09/05/2025, 20:25

I don't understand what is going on with you.

Sent on 09/05/2025, 20:27

I'm ready to go to bed.

Received on 09/06/2025, 11:59

What do you mean you don't understand what's going on with me? I go and work in the heat and I'm constantly having to do stuff for everyone else and I stopped for a minute last night and I fell asleep. I'm over tired and I keep pushing myself, and all I get out of any of this is you don't understand me or "when can I see Sarina" ? You know what I'm over it. I'm mad at her too. Like I'm just a monkey in the middle so you get what you want and she gets what she wants. Well no more if you want to see or talk to Sarina then she will have to pull her weight because I refuse to run myself into the ground for anyone else anymore when neither one of you even act like you care about me. I always get the attitude from both of you but Sarina hasn't been over there in so long and it's like nothing ever happened. It really pisses me off not to mention I'm not a liar and she tells me to tell you that she will be over and then she can't make it and that makes me look like the dumbass and then you end up getting upset with me or giving me an attitude and it's not fair. I don't even think you realize you are doing it. Like yesterday I told you what I was going to do for the day and you said okay, but when can I see Sarina?? That really hurt my feelings and I haven't been right since. Like why in the hell am I busting my ass for you or her and I can't even get com.on courtesy from either one of you. I just feel like I'm the only one pulling the weight and I'm not even getting respect in return. Like I'm just being used to run between you and her. It really sucks because I thought we all were better friends than that. There is so much more to say but I'm not going to even say anything about it. I'm just going to shut up now before I end up saying something I regret bc I'm not that type of person. I was raised different than most and my mom will still beat my ass to this day for being rude or disrespectful.

Sent on 09/06/2025, 12:05

Received on 09/06/2025, 19:54

I couldn't imagine!! I try to be there for you. I can't always be there but I am Alot unless I work over at the Pinellas Park house.

Sent on 09/08/2025, 12:57

That porch is going to look really good when you are done.

Received on 09/08/2025, 13:01

I know I am excited about it!! It's going to look really good. I think once I get the porch done and I put new blinds in the front and the one on the side in Nadine's room it's going to look really good. Those broken ass blinds make it look so much shittier than what it is. That house has great potential just needs some love.

Sent on 09/08/2025, 13:02

Sent on 09/09/2025, 14:51

No i don't

Received on 09/09/2025, 14:52

Well it's strange because the wires were spliced back together and it was plugged in and ran through the front window. I was really perplexed by this.

I'm not dealing with that mouthy chic. She isn't going to come down from her throne in Ohio and act like she knows anything . I am always here for you. I have Alot going on right now with heaven, but I still manage. But she does nothing for

you but collect money so she needs to stop running her mouth. I will beat her ass if she ever disrespects me like that again. I'm not the one.

Sent on 09/24/2025, 18:19

A while back I gave you 75k and you put it in your account.  
If it's still there please give it to Sarina .

Sent on 09/24/2025, 19:24

I need someone to stay with me tonight!!!!

Received on 09/25/2025, 09:56

You need someone to stay with you, but yet you constantly treat me like shit. I would have stayed with you and helped you but I will not do this anymore. Also you didn't not give me that amount of money and if you did for you to send me a text and tell me to give all the money I have to Sarina is crazy!! Why would I? I help her , I've paid the bills here but why would I just go give her the money I have that I worked for? You have no respect for me whatsoever and I bend over backwards for you and have for years. You tell Katie we are never there and that's bullshit. I'm a grown ass adult and I don't need this shit. I have Katie texting me barking orders telling me to do this or do that, like who the fuck are you? Katie wasn't there at all but like once a week just a few months ago. We had to go get Katie because she didn't even have a clue that you were sick not a single fucking clue. Then there is this nakia, listen that girl is nothing but a scam artist. You had us read messages between you and her because you thought she was trying to get over on you. My dad looked her up and she has multiple charges of fraud and abuse on the elderly and she is a full blown heroin addict. So for her to be in your house and tell us how things need to be and what I'm not doing is dead ass wrong and we should have never ever been disrespected by her. Just because you were once with her mother doesn't give her the right to come in and act like she has any fucking clue on what is happening here. She is lucky I didn't beat her ass for saying the shit she said to us. I've lived here for 4 years and I've never once seen this girl and I come to your house damn near everyday and If you were wise which I know you are I would stay away from that girl. My dad said she is nothing but trouble looking for a come up and she will use that kid at any lengths. Another thing someone told Sarina that you made Gene your POA. I don't care who is your POA but don't tell us that we are when we aren't. I don't know what Gene did to get back good with you but you weren't talking to him for a long time because you know he isn't a good person. He tried to put you in a nursing home when you had mersa but me and Sarina stopped it. So my main concern right now is what we have to do to make sure we don't lose this house bc our kids live here. Sarina will still be there for you and you have sweet Katie, but I am done. I am not going to continue to help someone who doesn't give two fucks about me. This has happened time n time again and Ive caved every single time because I have a big heart. I am a true genuine loyal person and I'm sorry that everyone I come in contact with is basically just a snake out for their own needs. My mother raised me right and even though I had my mistakes in life I always stayed to true to who I am. I have always showed you respect and have never ever disrespected you once. But I am not going to be like all of these other vultures that are literally tripping on each other to make sure

they are there for you at the end. That's not me I was there for you always not just when I thought I needed to make it count. That's what Katie and Malia are doing and if you don't see that then I don't know what to tell you. Sarina is being investigated because of the check you gave her to put into her bank account, and somehow that needs to be cleared up before she ends up in jail for receiving that money from you... I don't know if this house is safe and if it's not i need to know what we can do to make it safe or we will pack up and leave today. I have out so much money into this house just to lose it because we don't have our ducks in a row. I don't care about your money or anything else for that matter I just don't want to be lied too. Sarina was also told that you changed your will again after you took us to your lawyers office to do it with you. Like why lie?. I would have taken care of you regardless of your money or what you have because that's who I am, and I highly doubt anyone else could say the same. I really care about you and have considered you a very very dear friend but I just can't take anymore. You have made me feel like shit for the last time. I'm sorry that things have to be like this because I do care but it's not okay the way you treat me. I deserve a better friend than that.

Sent on 09/25/2025, 10:02

Do not leave me!!!!  
I need you!!!!  
I'm too weak to even type this !!!!

Sent on 09/25/2025, 13:27

I want to give you my house in Pinellas Park!!!!

Received on 09/25/2025, 13:28

Why? That's your house

Sent on 09/25/2025, 13:29

I want to give it to you!!!!

Received on 09/25/2025, 13:49

I appreciate that and I respect your wishes but I don't even know how to accept something like that. I just want you to be my friend and really care to be my friend. I love you Martin! You have changed my life in ways nobody else has and for that I can't thank you enough. You really hurt my feelings yesterday and a few other times and most people that does that I would just be done with them, but with I feel like you mean well but others influence your thought process at times. So it makes me feel bad for you. Like sometimes the shit that happens really rips me apart because when I genuinely care about someone I give them my all and I just wanted the same respect in return. You probably don't remember how much you have helped me stay straight and do right by my kids and myself but you were a huge part in that and I wish you knew or understood how much your friendship has truly meant to me. It's so sad that you have been sick lately it has really taken a toll on me. I really miss you!! You are an amazing person and the things that you have done for everyone is mind blowing but what has stuck with me is all of the

things you taught me or showed me. I was lost when I met you and Sarina and you both completely helped me change my life all the way around. I never knew I was capable of doing some of the things that I can do and I can't thank you enough for showing me a good normal life. Your friendship is everything to me and I know you are older than me but I clicked with you and there aren't many people I could ever say that about. So thank you for being here for me and thank you for helping me on my journey. I would only want that house if you truly wanted me to have it. I would definitely take care of it for you and would meet any and all expectations you have for it. I wish you could see what we see as an outsider looking in. I've never asked you for anything and I still continued to help you and it hurts that these other people although they may seem like a friend now just comes in and you let them do whatever. Like Gene he is such a snake he is the reason for a lot of your problems you have had. He is the one that introduced you to so many bad people and he is preying on you. He is one of the worst kinds and I'm not here to bash your people I just want you to know what we know and you used to know. I hate people I do because people have taken advantage of your kindness and it's really sad because you would do anything for anyone but all they had to do was get to know you as a person but they didn't even take the time to do that. Do you remember the holidays? I have spent the last four years of them with you and Sarina. Nobody else was there and that showed me a lot about people who were your supposed friends. God how I wished you could remember all of this. I'm sorry for saying all of this and I hope it didn't hurt your feelings it was never my intention I just need you to know this stuff because you used to and you don't remember now. I hope you do remember that you are truly an amazing person and friend to me and I will never ever forget you or what you have done for me.
